Re: In re WorldCom, Inc. Securities Litigation, Master File No. 02 Civ. 3288 (DLC)

Dear Judge Cote:

On behalf of Lead Plaintiff New York State Common Retirement Fund and Co-Lead Counsel Barrack, Rodos & Bacine, we forward copies of the following documents:

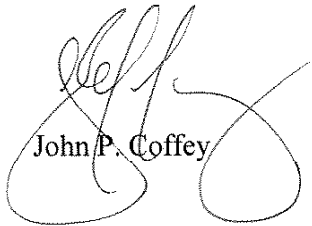

1. [Proposed] Preliminary Approval Order Regarding Settlement with Buford Yates and David Myers, revised (a) to eliminate the word “materially” in the second sentence of paragraph 8, and to end that sentence after the phrase “recovered to date”; and (b) to eliminate the word “summary” before the word “notice” in the third sentence of paragraph 8;
2. [Proposed] Preliminary Approval Order Regarding Settlement with Scott D. Sullivan, revised (a) to correct a typographical error in paragraph 5 by changing “Lead Plaintiffs” to “Lead Plaintiff”; and (b) to eliminate the word “summary” before the word “notice” in the third sentence of paragraph 13;
3. Notice of Proposed Settlements of Class Action With Former WorldCom Executive Defendants, together with a “blacklined” draft marked to reflect the proposed revisions that the Court provided in today’s Order; and
4. Email correspondence that apparently was intended for the Court, but was sent to the United States Attorney’s Office, which forwarded it to us.
