Re: In re WorldCom, Inc. Securities Litigation, Master File No. 02 Civ. 3288 (DLC)

Dear Judge Cote:

On behalf of Lead Plaintiff New York State Common Retirement Fund and Co-Lead Counsel Barrack, Rodos & Bacine, we forward a copy of the Notice of Proposed Settlements of Class Action With Former WorldCom Executive Defendants, together with a "blacklined" draft that reflects the revisions suggested by the Court at today's hearing. For the Court's information, the Notice was prepared in consideration of the information included in the notices previously mailed to Class Members.

We have served these documents upon other counsel by e-mail, and posted copies on the Class website.

Should the Court have any further questions or concerns about the Notice, please contact me directly as a result of Mr. Coffey's absence this afternoon.

Respectfully submitted,

Jeffrey N. Leibell
