Re Robert D Rubin Revocable Trust – Claim No
842169585 and Robert D Rubin IRA- Claim No

To Whom It May Concern

This letter is written in connection with the above referenced two Claim numbers referred to above

I received a Final Letter of Rejection dated November 16, 2006 (the “Rejection Letters”) in connection with both claims Please be advised that I disagree with this determination and respectfully request a Court review of my claim

The Rejection Letters state that I previously excluded myself from the Worldcom Settlement To the best of my knowledge and belief, I did not intentionally exclude myself from the Worldcom Settlement I would like to see a copy of the form that I completed that excluded me from the Settlement

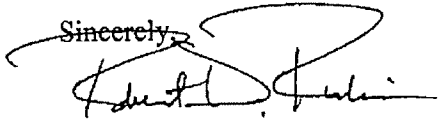

If I did incorrectly complete a form opting out of the Class Settlement it was inadvertent I completed a few forms in connection with my intention to be a part of the Class Settlement It is possible that I misread the form or forms. I in no way intentionally desired to exclude myself from this lawsuit

I had discussions contemporaneously with my attorneys regarding this matter at the time of original notification My attorneys advised me to submit my claim according to the Proof of Claim and Release provided to the class You may contact my counsel on this matter directly regarding my intent at the time My attorneys are Michael Criden, Esq or

Kevin Love, Esq. at (305) 357-9000 with the law firm of Hanzman & Criden, 731 SW
57th Court, South Miami, FL 33143

If you have any questions, I can be reached at 786-331-3391
